MExhibition.

IMPERIAL

12:00 - 15:00 Friday 20th of February 2026

1. What is MExhibition?

MExhibition (Mechanical Engineering Exhibition) is an annual event at Imperial College London to showcase the work done by student-led engineering societies within the Department of Mechanical Engineering. The event brings together students, academics, and industry leaders for networking opportunities, career engagement, and technical demonstrations.

2. Expected attendance

MExhibiton is open to the public with free entry. Last year's exhibition welcomed around 500 attendees, but this year we have expanded the event to take place at the Main College Entrance, where we are expecting a much bigger crowd!

3. The Schedule:

11:30 – 12:30: Tour for Industry partners to each engineering society and labs
12:30 - 13:00: Setup & Snacks (Time to prep your stand and grab some food)
13:00 – 15:00: MExhibition begins (The main event)

4. Costs & Logistics:

Costs: The event is free with no fees involved

We provide: Tables, chairs, and light bites. Please feel free to request anything else.

5. Getting Here:
Address: Imperial College London, Exhibition Road, South Kensington, London SW7 2AZ

Arrival: At the Main Entrance, student representatives wearing a MExhibition lanyard and burgundy student rep sweaters will be there to greet you. We also have secure spaces for you to store anything.

6. List of confirmed student societies attending and details:

Imperial College London Rocketry - Imperial College London Rocketry

Imperial College Robotics Society - Imperial College Robotics Society | Home

Karman Space Program (Rocketry Team) - Home | Karman Space Programme

Women In Mechanical Engineering - Imperial College London Women in Mechanical Engineering Society | LinkedIn

Imperial Energy Society - Energy | Imperial College Union

Imperial Formula Racing (Formula Student Team) - Imperial Formula Racing

Imperial Eco-Marathon (High Efficiency Vehicles team) - (Imperial Eco-Marathon | LinkedIn

Prosthetics Society - Prosthetics | Imperial College Union

Team BO (Vintage Car Team) - Team Bo' | Imperial College Union

Space Society (Rocketry team) - Imperial College Space Society | LinkedIn

Imperial Planetary Robotics Lab - Imperial Planetary Robotics Lab | LinkedIn

Prototype Society - Prototyping and Hacking Society | Imperial College Union

City & Guilds Union (Student Union for the Faculty of Engineering) - CGCU - Home
